

NHSPPOA

New Hampshire Spirit Official Association
55 Remich St
Littleton, NH 03561

June 14, 2011

Dear Athletic Directors/Coaches/Advisors,

As with last year, pre registration is required for all rules reviews and there is a capacity limit per session. Registration includes a registration form accompanied by payment in the form of cash, money order or school check made out to **NHSPPOA**.

Once your registration is received you will receive a confirmation email with the date and time. Please do not assume you have a slot until the confirmation is received.

Coaches must be certified prior to tryouts to avoid their team being “ground bound” meaning no tumbling or stunting. This is required of all New Hampshire high school teams, both varsity and junior varsity. It is not mandatory for middle schools however middle schools who plan an event officiated by NHSPPOA may want to consider attending to be aware of the rules that are being followed.

Once again, payment is \$25 per coach in the form of cash, money order or school check made out to **NHSPPOA** and must accompany the registration.

Thank you,

NHSPPOA

Rules Review Registration Form
